As from the 14th of April credit card accounts have been charged 3% on all the transactions.

No charge on EFT.

This is due to the bank has increased the fee and we can no longer absorber it. Sorry for the inconvenience.

Our Cancellation Policy...

We do require 24 hours notice to cancel all appointments. Otherwise, a late cancellation fee of 50% of the original service booked will be charged.

When you book an appointment at 4u2c Body Utopia we set that time and therapist aside just for you.

We often turn away clients that are desperate for an appointment because we are booked out. If you cancel with late notice, it inconveniences the many other clients that are on a waiting list. If no notice given the full fee is charged.

How to look after your skin during the winter months....

Moisturizing in the winter months is one of the best things you can do for your skin, always make sure that the moisturizer is the right type for your skin. If you do use the wrong one, it can often make your skin look even worse than what it already does now.
